RE: Rocky J. Romero
(10-P) Campaign Report

I received a Notice of Delinquency today for the filing of the (10-P) Campaign Report. I did not file a report because I only received \$200 from one source and had no expenditures for this period. The Disclosure Act that was in the campaign packet states in section II. Persons Required to File Disclosure Reports (R.S. 18:1481 and 1486) B. Each Candidate and "Any Other" public office who: 2. receives contributions from a single source totaling in excess of \$200. By this statement, I assumed that I did not have to file a report this period.

If this is not correct, please let me know. I am also requested that any delinquent fees be waived because of my understanding of the act.

Thank You,

Rocky Romero
